

Sri A. Revanth Reddy
Hon'ble Chief Minister of Telangana

HYDERABAD CITY POLICE

— ANNUAL REPORT-2024 —

DUTY | HONOUR | COMPASSION

From **COMMISSIONER'S DESK**

It is with immense pride that I present this annual report, a vivid testament to the unwavering dedication and tireless endeavours of the Hyderabad City Police in safeguarding the community and ensuring the security of our beloved city.

This year, I am overwhelmed with gratitude for the citizens of Hyderabad. Your steadfast cooperation during numerous festival processions, admirable composure during sensitive incidents and proactive decision to voluntarily refrain from using DJs during religious processions exemplify the very essence of communal harmony and responsible citizenship.

The peaceful conduct of Parliament elections, alongside major events, festivities and religious processions is a testament to meticulous planning, seamless execution and exemplary coordination. Above all, it underscores the invaluable synergy between the resilient spirit of our citizenry and the tireless dedication of every member of the Hyderabad City Police.

Amidst a bustling calendar, our investigation teams have achieved remarkable breakthroughs in detecting several sensational cases. By embracing advanced investigative techniques, leveraging cutting-edge technology and fostering specialized training, we are intensifying our fight against cyber crime, substance abuse and illicit trafficking. Prioritizing child safety, we introduced special POCSO training for teachers, equipping them to better address and prevent crimes against children.

The response time to emergency calls has been improved to an impressive 5-6 minutes, demonstrating our commitment to prompt and effective policing. Special emphasis has been placed on strengthening night policing and maintaining vigil over all forms of criminal activity during night hours.

Furthermore, the induction of 1,127 new police constables into the force augurs well for city's security, traffic management and the overall efficiency of the Hyderabad City Police.

Addressing the pressing concern of traffic management, we have implemented transformative measures such as Operation ROPE - Removal of Obstructive Parking and Encroachments and innovative engineering solutions. Complementing these initiatives, our dedicated Traffic Training Instructors have conducted widespread awareness campaigns, touching the lives of thousands and instilling a culture of road safety. In an innovative and revolutionary step, 44 Transgenders were enrolled on a pilot basis as Traffic Assistants by the Traffic branch.

We are profoundly grateful to our Hon'ble Chief Minister Shri A. Revanth Reddy, whose visionary leadership and continuous support has been a beacon of inspiration, guiding us in our pursuit of transforming Hyderabad into India's safest city and also one of the finest globally cities. May our collective efforts pave the way for a future where Hyderabad radiates as a symbol of safety and harmony.

C.V. ANAND, IPS

DG & Commissioner of Police,
Hyderabad City

An Indian Police Service officer of the 1991 batch, Sri C.V. Anand's illustrious career has seen him navigate the diverse landscapes of policing, both within and beyond the department.

His initial decade was a baptism by fire, spent as ASP and SP in Warangal, Adilabad, and Nizamabad, the Maoist-infested districts of Telangana, where he led from the front, survived several exchanges of fire, inflicted significant blows to the

Maoists and earned the coveted President's Gallantry Medal in 2002. This valorous spirit would continue to define his leadership throughout his service.

He has an experience of around 15 years of Metropolitan Urban Policing in his tenure as DCP East and Central Zones of Hyderabad City for 3 years, Commissioner of Police Vijayawada City for 2 years, Traffic Commissioner Hyderabad City for 3 ½ years and Commissioner of Police Cyberabad for 3 years and Commissioner of Police Hyderabad for around 3 years till date. He was the first DCP of the newly created Central Zone as part of reorganization of Hyderabad City Police. With the establishment of the 'Lake Police' in May 2002, he significantly improved security measures around Hussain Sagar Lake preventing numerous suicide attempts.

A visionary leader, Mr. Anand is credited with ushering in a new era of traffic management in Hyderabad as Addl. Commissioner of Police, Traffic from 2010 to 2013. He spearheaded the implementation of "Drunk Driving Enforcement," revolutionizing traffic enforcement with e-challans, handheld cameras, and speed guns. These initiatives, coupled with his unwavering support for the welfare of traffic police personnel, resulted in a marked improvement in traffic flow and safety. The proposal to give 30% extra pay to traffic policemen was moved by him in 2012 and got approval of government in 2015.

His stewardship during the turbulent period of state bifurcation, as the last Commissioner of the undivided Cyberabad, was exemplary. He implemented a transparent system for handling land disputes, bolstered women's safety measures specially in the IT Corridor like SHE Teams, SHE Shuttles, SHE App, and revitalized the defunct Cyberabad Security Council. His commitment to community policing led to the installation of over two lakh CCTVs, significantly enhancing crime prevention capabilities.

Mr. Anand's acumen extends beyond the realm of law enforcement. His two-year stint as Director of Excise and then as Civil Supplies Commissioner for 2 years saw the introduction of e-PDS, a technological marvel that yielded a staggering Rs. 2000 Cr in savings for the government by curbing illegal activities of rice millers, ration shop dealers and transporters, earning national recognition for his IT-driven reforms.

His illustrious career extends beyond the borders of Telangana. As **IG of the Airport Sector in the Central Industrial Security Force (CISF)** for 21/2 years, he introduced systemic and technological advancements, streamlining passenger security checks and improved the turnover ratios in all airports. His leadership during the COVID-19 pandemic was lauded by all stakeholders. Anand, also, temporarily assumed additional responsibilities for the South and West Sectors, gaining valuable experience in overseeing steel plants, oil refineries, defense establishments, ports, and other CISF-protected facilities.

Mr. Anand's dedication to continuous improvement is evident in his tenure as **Director of the National Industrial Security Academy (NISA)**. He elevated the quality of training for Assistant Commandants and Sub-Inspectors, incorporating innovative modules like horse riding, rock climbing, and greyhound handling.

Mr. Anand is a recipient of numerous accolades, including the prestigious Election Commission of India National Award for Best Performance in the 2014 General Elections and the National e-Governance Award 2017, the Telangana Excellence Award-2017, apart from the Gallantry Medal, IPM, PPM, and Antrik Suraksha Medal in Police.

In 2021, he returned as **Commissioner of Police, Hyderabad**, spearheading the establishment of the Hyderabad Narcotics Enforcement Wing (H-NEW) and introducing the Fitcop app for police personnel's health. Notably, his tenure saw the appointment of the first-ever women Inspectors as Station House Officers. He was instrumental in reorganisation of Hyderabad City Police after 35 years. Several specialized wings, including the SMIT, H-NEW, Women Safety Wing and Cyber Crime Wing were established to address emerging challenges. This strategic restructuring has resulted in a more robust and efficient police force, with the city now divided into 7 Zones, 28 Divisions, 71 Law and Order Police Stations, and 31 Traffic Police Stations with an extra force of 1200 being added.

In December 2023, a new chapter unfolded as Mr. Anand assumed the role of **Director General of the Anti-Corruption Bureau**. His leadership resulted in a record-breaking number of 145 cases booked within a span of eight months, striking fear into the hearts of corrupt officials across the state. He also held additional charge as **DG - Vigilance & Enforcement** for 2 months.

On September 9th, 2024, he assumed office as the **Police Commissioner of Hyderabad City** for the second time, continuing an earlier tenure from December 2021 to October 2023.

A true citizen's champion, Mr. Anand's narrative would be incomplete without acknowledging his fervent passion for sports. He played cricket for Hyderabad state at all levels and toured England with the U 19 team before joining IPS. His athletic prowess extends beyond the cricket pitch. He was the best athlete in National Police Academy and won 100 mts, 200 mts, high-long-triple jumps. He is an accomplished tennis player, having clinched the All-India Police Singles Championship for the CISF. He remains passionately engaged in his pursuits of Cricket, Tennis, and also Golf even to this day.

C.V. Anand is a testament to the power of dedication and innovation in public service. He is a leader who believes in leveraging technology for good governance and citizen-centric services. As he continues his remarkable journey, one can only expect even greater contributions from this guardian of peace and prosperity.

“

Sri **Vikram Singh Mann** belongs to 1998 batch of Indian Police Service. He studied M.Sc. from Delhi University. Presently serving the city as Addl. CP, Law & Order and Co-ordination, Hyd City. He was awarded with “Antrik Suraksha Seva Padak” and Indian Police Medal for Meritorious Service.

MAJOR ACHIEVEMENTS

In 2024, the Hyderabad City Police diligently provided security arrangements for all events, festivals, General Elections HoP-2024 and visits by VVIPs and VIPs, including the Hon'ble President and the Hon'ble Prime Minister of India. Remarkably, during the year no law and order incidents occurred, reflecting effective policing and proactive measures.

▪ All India Industrial Exhibition	▪ Sri Hanuman Jayanthi
▪ Bhogi	▪ Hajj Pilgrims
▪ Sankranti/ Pongal Festival	▪ Telangana Formation Day
▪ Republic Day Celebrations	▪ Distribution of Fish Prasadam at Exhibition Ground
▪ Sahab-e-Meraj (Jagne ki Raath)	▪ Bakrid Festival (Eid-UI-Azha)
▪ TG Legislative Budget Session	▪ Moharrum (Mourning Mouth)
▪ Shab-e-Barath (Jagne ki Raath)	▪ Bonalu Festival
▪ Maha Shivaratri	▪ 78th Independence Day
▪ Ramzan Month	▪ Arbayeen (40th Day of Moharrum)
▪ Holi Festival	▪ Telangana Legislative Monsoon Sessions
▪ Jumat-UI-Vida (Last Friday of Ramzan)	▪ Ganesh Festival
▪ Sahab-e-Qadar (Jagne ki Raath)	▪ Milad-Un-Nabi
▪ Ramzan Festival (Eid-UI-Fitr)	▪ Bathukamma Festival
▪ Sri Rama Navami	▪ Dusshera

RAMZAN FESTIVAL BANDOBUST

- This year, the holy month of Ramzan began on March 13, 2024 and concluded on April 11, 2024. Comprehensive security arrangements were implemented, including the deployment of armed and civil pickets in all sensitive areas, along with round-the-clock monitoring at mosques. Thanks to the co-operation of community elders and above measures, the observance of Ramzan was peaceful.
- To manage potential large gatherings during the Ramzan period, proper announcements were made through patrol vehicles and police station communication systems. All necessary precautionary measures were implemented to ensure law and order, as well as to maintain communal harmony, particularly in sensitive and hyper-sensitive areas.

JUMMAT-UL-VIDA (LAST FRIDAY OF RAMZAN) BANDOBUST (ON 05-04-2024)

- An elaborate bandobust arrangement was implemented at all mosques, with special focus on Macca Masjid. The event concluded peacefully without any untoward incidents.

SHRI RAMA NAVAMI FESTIVAL BANDOBUST

The Shri Rama Navami Festival was celebrated on April 17, 2024, with a grand Shobha Yatra procession that commenced from the Seetarambagh Temple in the Mangalhat Police Station limits and concluded at Hanuman Vyayamshala School within Sultan Bazar Police Station jurisdiction. Comprehensive bandobust arrangements were meticulously planned and executed by the City Police force. The Additional Commissioner of Police, Law & Order, personally inspected the procession route alongside jurisdictional officers, ensuring all necessary precautionary measures were in place. As a result, the event was conducted peacefully without any untoward incidents.

SHRI HANUMAN JAYANTHI CELEBRATION BANDOBUST

The Shri Hanuman Jayanti Festival was celebrated on April 23, 2024, by members of the Hindu community with vibrant Shobha Yatra processions. The main procession began at the Ram Mandir in Gowliguda, within Afzalgunj Police Station limits of East Zone, Hyderabad and concluded at the Hanuman Temple in Tadbund, under Bowenpally Police Station limits of North Zone, Hyderabad. The event was conducted smoothly.

BAKRID (EID-UL-AZHA)

This year, the Bakrid festival (Eid-ul-Zuha) was celebrated on June 17, 2024, in Hyderabad City. Special bandobust arrangements were put in place across all communally sensitive and hyper-sensitive areas to ensure a peaceful celebration.

To maintain communal harmony and uphold law and order, a Circular Memo (No. 0205/LO/LO-II/2024) was issued on June 3, 2024. The memo directed all SHOs to identify key junctions for vigilant monitoring of cattle transportation, ensuring adherence to regulations and preventing potential communal tensions.

BONALU FESTIVAL

SHRI JAGADAMBA MAHANKALI TEMPLE, GOLCONDA FORT & UJJAINI MAHANKALI JATHRA

This year, the Sri Jagadamba Mahankali Bonalu Festival at Golconda Fort was observed from July 7, 2024, to August 4, 2024. The Sri Ujjaini Mahankali Jathara took place on July 21 and 22, 2024, in Secunderabad under the North Zone. Additionally, the Hyderabad Bonalu was celebrated on July 28 and 29, 2024. Comprehensive bandobust arrangements were made to ensure the smooth conduct of all Chatam, Phalaharam Bandies, and Jhoola processions. All events concluded peacefully without any untoward incidents.

MILAD-UN-NABI

The month of Milad-un-Nabi (the birth anniversary of Prophet Mohammed) began on September 5, 2024, and concluded on October 4, 2024. During this period, numerous Milad-un-Nabi processions took place across Hyderabad City, passing through communally sensitive and hypersensitive areas. These processions commenced on the night of September 18, 2024, and continued until the evening of September 19, 2024. Although Eid-e-Milad/Milad-un-Nabi was traditionally celebrated on September 16, 2024, the processions were delayed until September 19, 2024, due to the immersion of Ganesh idols on September 17, 2024.

Given the sensitivity of the festival, along with the prevailing law and order situation, extensive security and bandobust measures were implemented to ensure public order and prevent any untoward incidents during the celebrations.

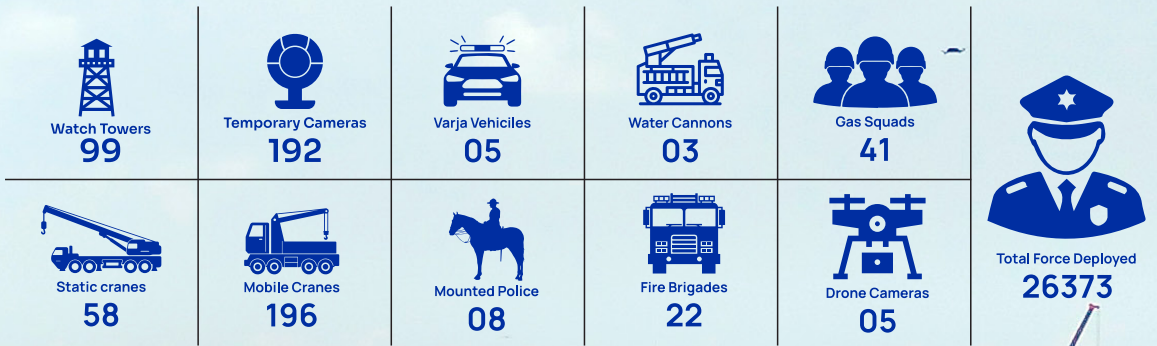

GANESH IDOL IMMERSION

The Ganesh Idol Immersion Processions in Hyderabad are a cherished tradition, embodying devotion, cultural richness, and community unity. This year, the celebrations reached an impressive scale, with thousands of devotees participating in hundreds of processions that culminated in the immersion ceremonies at Hussain Sagar Lake. The events were conducted over two days, on September 17 and 18, 2024, showcasing the city's vibrant spirit and reverence.

Through effective traffic management, crowd control, and the integration of advanced technologies like drone surveillance, every aspect of public safety was carefully planned and executed. The police deployed personnel strategically and maintained constant monitoring to ensure that the immersion festivities proceeded peacefully and smoothly.

BATUKAMMA FESTIVAL

146

115

1650

90

INDEPENDENCE DAY CELEBRATIONS

Elaborate Bandobust arrangements were made for the celebrations at Golconda Fort. The event has concluded peacefully without any incident.

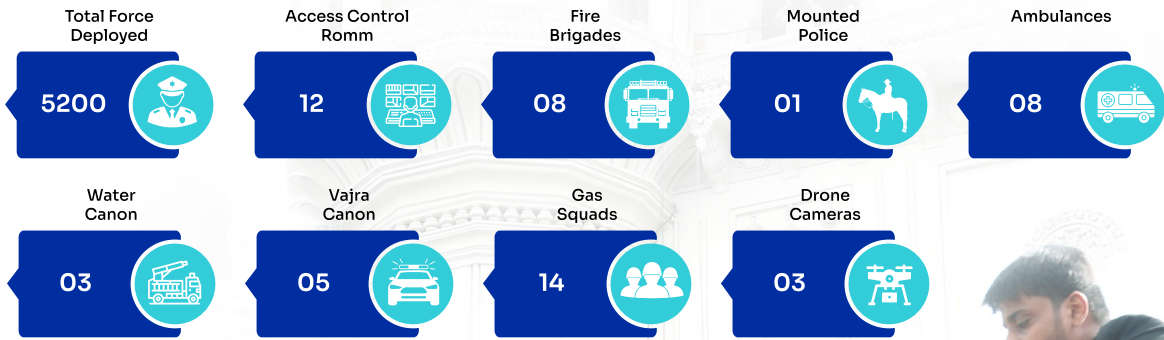

DUSHERA FESTIVAL

This year, the Dussehra Festival was celebrated on October 12, 2024, with the traditional Ayudha Pooja and the burning of the effigy of Ravana. Extensive bandobust arrangements were made across the city and the idols immersion was monitored with a newly developed application. Thanks to meticulous planning and coordination, the festival proceeded peacefully, with no untoward incidents.

MUHARRAM

This year, the observance of “Muharram” began on July 8, 2024, with the 10th day of Muharram, a significant occasion of mourning and matam, falling on July 17, 2024.

The Historic Bibi-Ka-Alam Processions start from Alawa Bibi (Rein Bazar PS) Kaman Shaik Faiz – Kotla Alijah – Malwala Palace – Charminar – Gulzar House – Panj-e-shah – Kadme Rasool – Mandi Mir Alam – Zehra Nagar – Devdi Nawab Kamal-yar-Jung – Purani Haveli – Alawa Sartooq – Aza Khana Zehra – Kali Khabar and end at Masid-e-illahi, Chaderghat.

GENERAL ELECTIONS HOP (LOK SABHA) - 2024:

The General Elections to the Lok Sabha and By-Election to the Secunderabad Cantonment Assembly Constituency, held on May 13, 2024, were completed without any incidents, thanks to the comprehensive security arrangements made by the Hyderabad Police for the pre-poll, poll day and post-poll periods. A full deployment of the Hyderabad City police force was carried out for bandobust at polling stations, including mobile route parties, picket postings, inter-commissionerate border check posts, shadow teams, flying squads, static surveillance teams, Quick Response Teams (QRT), special striking forces, investigation teams and security for observers and contesting candidates. Additionally, the police ensured the security of the Electronic Voting Machines (EVMs) and provided civil bandobust at the peripheral DRC, liaison officers at CAPF accommodations, riot control vehicles, traffic interception teams and city/zonal control rooms, along with standby forces.

COMPARISON OF CRIME AND SAFETY INDEX

- Crime Index is an estimation of overall level of crime in a given city or a country.
- Safety Index is on the other way, quite opposite of Crime Index. If the City has a high Safety Index, it is considered very safe.

IMPORTANT CASES

DFI CASE

Dhanvantri International Foundation Trust induced (4112) innocent victims and collected about 514 crores and cheated them. GOs for attachment of (88) properties worth of about Rs. 145 crores were obtained and the same are under scrutiny for absolute orders.

DKZ CASE

DKZ company under the guise of huge profits, induced about (3500) innocent victims and collected an amount of about Rs. 229 crores and cheated them. All prime accused were arrested, seized about 1.7 crores of net cash and proposals submitted for attachment of (06) properties and orders are awaited.

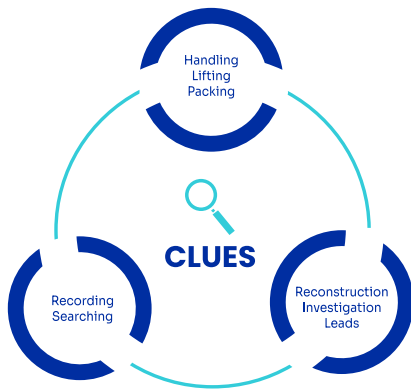

CLUES TEAM

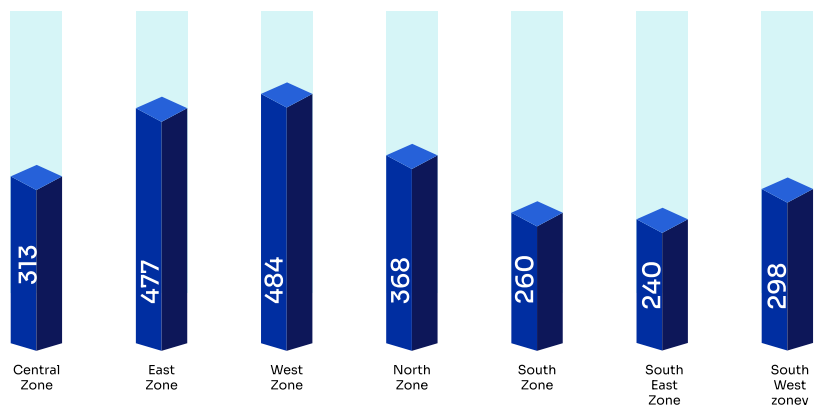

Dr. N. Venkanna
Joint Director & HOD
CLUES TEAMS, Hyderabad City.

- The Clues Team was introduced in 2015 and operates at the division level with 2-3 Crime Scene Officers, a Photographer/Videographer, and a dedicated vehicle. Each team covers 2-3 police stations, ensuring quick response to crime scenes across Hyderabad City.
- The team is highly valued for its efficient collection, handling, and preservation of physical evidence, which helps establish the facts and sequence of events in criminal cases, aiding in crime detection.
- Clues Teams are equipped with advanced tools like the Video Spectral Comparator, 3D scanners for scene reconstruction, and DNA preservation kits. They also provide training to first responders on proper scene cordoning to ensure evidence is preserved correctly.
- The work of the Clues Team plays a crucial role in improving the conviction rate by processing and preserving physical evidence, which is vital for corroborating facts and strengthening criminal cases.
- In addition to handling physical evidence, the Clues team also specializes in cyber forensics, utilizing tools for digital evidence collection. They assist in screening drug samples in NDPS cases for Investigation Officers across the Tri Commissionerates, including the "HNEW".

FORMATION OF ZONAL CYBER CELLS IN HYDERABAD CITY

The formation of Cyber Cells underscores commitment to staying ahead of emerging cyber threats and ensuring the safety and security of our communities in the digital landscape. Cyber cell was formed zone-wise during August 2nd week 2024 with the help of expert trainees from the I4C Delhi Training Workshop to the newly formed zonal cyber cell staff was conducted to the nominated officers and staff from the 7 zones of Hyderabad city.

Key objectives of the Cyber Cells include:

- Proactive identification and detection of Cyber Crimes in their respective zones.
- Enhanced collaboration with internal and external stakeholders
- Advanced training and capacity-building for Cyber Warriors
- Effective response to all the cybercrime petitions in the zone for quick redressal for the public.
- The establishment of these Cyber units will significantly bolster our efforts to combat Cyber Crime and protect our citizens from the growing threat of cyber-related offenses.

CYBER CRIME INSPECTOR AWARDED 3RD PRIZE BY MHA

Inspector Sri.K. Haribhushana Rao attended the 3rd National Conference of State Cyber Nodal Officers at NCRB, New Delhi, and was awarded the 3rd Prize for the Presentation on Investigation of the AP Mahesh Bank case.

MAJOR DETECTIONS DURING THE YEAR

SPECIAL OPERATION DONE AT GUJARAT

In the month of August 2024, seven teams of Cybercrimes police station Hyderabad participated in a special drive in Gujarat state, apprehending 36 accused individuals, including a Chartered Accountant and seven kingpins accused, while detecting 20 cases of cybercrime, including 11 investment frauds, 4 trading frauds, 4 FEDEX courier frauds, and 1 KYC fraud, with the accused wanted in a total of 983 cases across India, including those from Telangana. Additionally, an amount of Rs. 2,89,63,753/- has been frozen in the bank accounts of the accused. In the detected cases, the total transaction amount is 12,49,53,316/-.

Cr. No. 887/2023: Received a complaint from a software employee, stating that, while searching on a Google website, he noticed one online gaming website link named as www.dafabet.com. Then he clicked the link, i.e., <https://als.dafabc.org/m/en/live/sport/240-FOOT>, and logged into the said website, where he noticed that the fraudsters published fake advertisements to induce innocent people to earn money easily. Unfortunately, he has deposited his hard-earned money in that Dafabet wallet and started playing as directed by them. They lured him to deposit more money by giving some profits initially as such, he added some more money to play the game as directed by them. After that, he tried to withdraw his money; the fraudster didn't allow him to withdraw his funds from the Dafabet wallet and insisted him to deposit more money to withdraw his profits. During this process, he has lost an amount of about Rs. 70,000,000/- during the period from the year 2020 to till 2023. . In this regard he requested to take the necessary action and to restore his lost amount. Upon which a case in Crime No. 887/2023 at CCPS, Hyderabad and investigated into. Team led by Inspector Haribhushan and team arrested the accused at Delhi, where he was running a call center with more than 20 employees and seized cash of one crore forty lakhs apart from many mobile phones, SIM cards, laptops, checkbooks, etc.

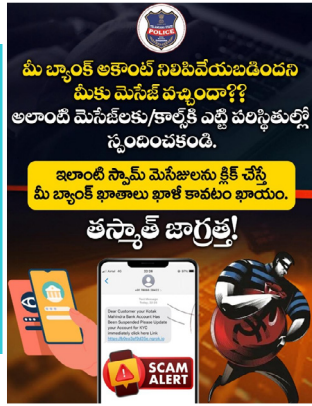

AWARENESS PROGRAMMES CONDUCTED BY CYBERCRIME POLICE STATIONS AT HYDERBAD.

Meeting with movie theater owners/managers: Meetings with all movie theater owners and managers were conducted along with digital service providers, and they were instructed to display short films related to cyber crimes in the beginning and during the intermission of a movie and should be mandatorily monitored by managers. So as a result, awareness Short films have been displayed in all the movie theaters and multiplexes across Hyderabad city on various cyber frauds as per the guidelines of the Honorable CM of Telangana to create awareness among people and prevent cyber frauds.

Exclusive WhatsApp group with all FM radios, print, and electronic media: This unit is actively engaged in disseminating cyber awareness content through various media channels. On a daily basis, CCPS uploads awareness posters, summaries of cybercrime cases, and write-ups on WhatsApp groups dedicated to cyber awareness. Additionally, audio and video clips are being shared through newspapers, FM radio stations, and TV channels to educate the public and promote awareness about cybercrime. This multifaceted approach aims to reach a wide audience and empower individuals with the knowledge necessary to safeguard themselves against cyber threats.”

Cyber crime Hyderabad city through social media platforms: Social media is an effective platform for raising awareness about cybercrime. By sharing informative posts, compelling stories of victims who have successfully overcome their challenges, and insights into how fraudsters operate, precautions ought to be taken if an individual encounters a cyber fraud. We are educating a wide audience. Highlighting the emotional and financial impact on victims is essential for fostering empathy and understanding. Additionally, providing practical advice for individuals who may find themselves victims of cybercrime is crucial for their empowerment. As a result of our cyber awareness initiatives, it has benefitted lakhs of people, creating a significant positive impact.

Mobile caller tune on the same lines of COVID-19 to create awareness on cyber frauds: Based on our letter to DOT (CPSir letter), BSNL, as a nodal agency, has been playing a caller tune on the first Wednesday of every month, observed as Cyber Jagrookta Diwas, to raise awareness about cybercrime. Currently, the CCPS is following up on the process with the Department of Telecommunications (DOT) and other telecom nodal agencies to implement the same caller tune across all networks, promoting a unified effort towards cyber awareness.”.

- Awareness short films in metro stations and trains.
- Awareness audio clips and short films in TGRTC Bus stands.
- Awareness audios at traffic junctions.

WOMEN SAFETY WING

Dr. P. Lavanya Naik Jadav
DCP, Women Safety Wing

In 2024, the Women Safety Wing of Telangana Police made notable progress in securing women and children. SHE Teams ensured safer public spaces, while Bharosa Centers provided comprehensive support services to survivors of violence, including counseling, legal assistance, and medical aid, focusing on both women and child victims. Seven Women Police Stations served as accessible platforms for reporting crimes. The AHTU & JB focused on rescuing victims of human trafficking, bonded labor, and child labor and repatriating missing or runaway children. These initiatives reflect the Telangana Police's commitment to a safer environment for women and children.

BHAROSA

- Bharosa continues to support vulnerable women and children, offering a comprehensive approach with medical, legal, psychological, and judicial assistance to victims of violence and abuse.
- This year, Bharosa achieved significant success with 33 convictions, including 5 life sentences, and facilitated compensation of Rs. 69,00,000 for victims.
- The initiative helped 132 children secure admissions to schools and colleges, with many excelling academically, including one who achieved a perfect 10/10 GPA and ranked 2nd in the state.
- Bharosa's commitment to education and rehabilitation is reflected in the success stories of these students, inspiring them to achieve higher goals.
- The Commissioner of Police honored the academic achievers, encouraging the state rank holder to pursue a free MBBS seat, showcasing Bharosa's role in empowering the next generation.

SHE TEAMS

SHE Teams Hyderabad is a pioneering initiative by the Telangana State Police to ensure the safety and dignity of women in public and private spaces. With the motto “Your Safety, Our Responsibility,” SHE Teams has been instrumental in addressing and preventing crimes against women, creating a safe and inclusive environment for society.

VISION AND MISSION

- Create a society where women feel safe, empowered, and free to live with dignity.
.....
- Prevent crimes against women through proactive measures.
.....
- Enforce strict laws against offenders.
.....
- Raise awareness about gender equality and safety.
.....
- Ensure women’s safety in both public and private spaces.
.....
- Address complaints of harassment with discreet and effective interventions.
.....
- Educate citizens on laws related to women’s safety.
.....
- Empower women through awareness programs and community engagement.

In 2024, SHE Teams continued their mission to ensure women’s safety and tackle harassment effectively. The following summary highlights key contributions and statistics while offering a clear narrative of SHE Teams’ 2024 performance.

Category	Total
Cases Reported	1201
Red-handed cases caught	2280
Petty cases addressed	425
Legal Action (FIRs Filed)	182
Individuals warned and counselled	1957
Majors	2519
Minors	106

SHE Teams approach to legal enforcement and rehabilitation has ensured a safer environment for women in the city.

In 2024, SHE Teams enhanced women’s safety through 24/7 patrolling in vulnerable areas and collaboration with Metro and RTC to safeguard transit hubs, reducing harassment incidents significantly. They resolved numerous harassment and stalking cases with swift action. Community engagement included widespread awareness campaigns, self-defence training, and gender sensitization workshops, reaching lakhs of individuals. Legal actions strengthened prosecution success rates, and collaborations with NGOs promoted empowerment initiatives. SHE Teams also focused on tackling cybercrime, ensuring harassment-free workspaces, and creating safer public spaces. She Teams is launching a new web-site (social media) to enhance public accessibility, facilitate seamless updates, and strengthen its mission to ensure so-ciety’s safety and security.

AWARENESS PROGRAMS

SHE Teams conducted extensive campaigns across schools, colleges, residential communities, workplaces, and public events to raise awareness on safety, gender equality, cyber safety, harassment, self-defense, and creating safe environments, fostering vigilance, and promoting helpline usage to build a more aware and inclusive society.

FIRST OF IT'S KIND VICTIM WITNESS ASSISTANCE UNIT (VISHWAS)

Hyderabad City Police, in collaboration with Prajwala, a leading anti-trafficking organization, established the first-ever Victim Witness Assistance Unit (VISHWAS) at the Anti-Human Trafficking Unit (AHTU). This initiative aims to improve conviction rates in cases under the Immoral Trafficking Prevention Act (ITP Act) by offering comprehensive support to victims and witnesses.

Objectives:

- Enhance support for victims and witnesses throughout the judicial process.
- Raise awareness about victim rights and legal procedures.
- Facilitate rehabilitation and prevent further victimization through collaboration with Prajwala Home.

Stakeholders:

- Hyderabad City Police
- Director of Prosecutions, Telangana
- Prajwala NGO
- Metropolitan Legal Services Authority, Hyderabad
- District Welfare Officer, Hyderabad

VISHWAS represents a collaborative effort between law enforcement and civil society to support trafficking victims, ensuring their rights are protected and their voices are heard in the judicial process.

OPERATION SMILE - X AND OPERATION MUSKAAN PHASE - X

Under Operation Smile-X, 25 teams in Hyderabad, along with the Juvenile Bureau and AHTU units, collaborated with stakeholders and rescued 632 children. Similarly, Operation Muskaan Phase-X, launched on 01.07.2024, involved the Hyderabad City Police and NGOs, rescuing 524 children and filing 20 criminal cases against employers, with fines amounting to Rs. 37,70,908/-. Hyderabad led Telangana in child labour rescues and penalties, showcasing its commitment to eradicating child labour.

WOMEN POLICE STATIONS

Women Police Stations Zone wise are functioning effectively and are instrumental in addressing domestic violence and helping the helpless women victims. A total of 6884 complaints were received so far at WPS. Counseling sessions were conducted, and 2362 families were reunited through Center for Development and Empowerment of Women (CDEW) Centers. A total of 1468 cases were registered at WPS as of 10th November 2024.

HYDERABAD NARCOTIC ENFORCEMENT WING

Sri Y.V.S Sudheendra
DCP, H-NEW

The establishment of H-NEW marks a significant step toward Hyderabad’s fight against drugs, aiming to create a safer environment for its citizens through rigorous enforcement and strategic operations. The Hyderabad Narcotic Enforcement Wing (H-NEW) has commenced its operations since 2022. This unit operates under the supervision of the Deputy Commissioner of Police. H-NEW functions on the lines of the Commissioner’s Task Force, focusing on generating intelligence, conducting raids, detecting and disrupting organized drug trafficking groups. H-NEW aims to disrupt the network of drug suppliers, peddlers, transporters and consumers.

H-NEW co-ordinates with Telangana Anti Narcotics Bureau in the way of sharing crucial information and intelligence with respect to drug peddlers, suppliers, consumers etc., It keeps a special focus on inter state criminals and Foreign Nationals who are involved in drug peddling and trafficking.

PLAN OF ACTION OF H-NEW FOR MAKING DRUG FREE CITY

- Identifying everyone in the drug network, from consumers to local peddlers, transporters, main suppliers, agents, and financiers, and bringing them on record.
.....
- Identifying the kingpins of drug suppliers in and around Hyderabad.
.....
- Apprehending foreign nationals and interstate drug peddlers who supply ganja and other narcotic substances illegally into the city and its surrounding areas.
.....
- Monitoring the movements of local drug peddlers and booking more cases to curb the drug menace.
.....
- Focusing on labor addas, railway stations, bus stations, schools, colleges, and IT companies to identify suspects involved in illegal drug activities.
.....
- Coordinating with various agencies like FRRO, DRI, NCB, ED, IB, Excise Department, Jail Department, and Intelligence for cracking down on inter and intra-national drug suppliers.
.....
- Consolidating information from local police on pubs, coffee shops, hookah centers, and other places suspected to be frequented by drug consumers.
.....
- Developing informants to collect advance information on drug peddlers.
.....
- Implementing continuous surveillance and monitoring of individuals previously arrested for drug-related offenses.
.....
- Maintaining vigilance on transportation, cultivation, and selling points of drugs.
.....
- Using social media platforms for awareness generation and organizing meetings with social media service providers for awareness programs.
.....
- Conducting awareness programs in schools, colleges, educational institutions, and universities by involving students, teachers, and non-teaching staff.
.....
- Training officers in the collection of information and investigation related to illicit drug trafficking.
.....
- Conducting surprise checks in isolated places and dark areas, and keeping a close watch near schools, colleges, universities, and coaching centers.
.....
- Sharing information from SHOs of police stations with District Drug Control Authorities regarding offenses by medical/chemist shops.
.....
- Deporting foreign national drug suppliers and peddlers
.....
- Attaching property under the supervision of TGANB.

ACHIEVEMENTS

Eight foreign nationals were arrested, and three of them were deported to their respective countries.

INITIATIVES

PROHIBITION OF DJs IN RELIGIOUS PROCESSIONS

Taking a serious view on Noise pollution created by usage of DJs and firecrackers during religious processions, Commissioner of Police, Hyderabad City Shri C.V. Anand, IPS conducted a Round Table Conference with public representatives, community elders and other stakeholders. The participants of the Conference held a detailed discussion on Noise pollution and its ill-effects on public health, well-being and safety.

Commissioner of Police has brought to the notice of the participants the 500% rise in complaints of sound pollution, opinion of Doctors, Community elders who advocated prohibition of use of DJs and fire crackers. Further, the Commissioner of Police exercising powers vested in him, a notification has being issued.

The initiative has received widespread acceptance and appreciation from the society, there has been a significant reduction in number of complaints of noise pollution.

NOTIFICATION

GOVERNMENT OF TELANGANA
POLICE DEPARTMENT
 Office of the Commissioner of Police, Hyderabad City.
No. 140/LD/0368/2024 **Date: 30.05.2024**
NOTIFICATION
 In Hyderabad and surrounding areas various religious festivals are celebrated, involving big processions comprising of thousands of people, throughout the year.
 It is observed that the use of DJ Sound Systems/DJ Sound Mixer/Sound Amplifiers/Other High Sound Generating Equipments and Firecrackers in these religious processions has alarmingly increased in recent times. There is more and more competition among the procession organizers to hire bigger and louder DJ Systems. The use of DJ System is harmful to the human body besides causing lot of noise pollution. A prolonged exposure to the high decibel of sound emanated by these DJ Systems is extremely damaging for human health. Further it is also noticed that the youth tend to be over-excited and indiscreet whenever DJ System is played at extremely high volume. This can result in increasing the chances of uncontrolled behavior by the participants and even to the extent of creating Law & Order issues.
 More importantly, there has been an exponential increase in complaints made by public through various channels, including Dial 100, noise pollution in their residential areas, leading to health issues in old people and residents and disturbance of children's education. The use of firecrackers in a procession route filled with hundreds and thousands of people is also full of danger. In a recent example, during a Religious Procession on 19.09.2024, one generator (meant for DJ system) caught fire at Channarayana prasad due to sparks from firecrackers reaching the nearby generator. Luckily the fire was promptly brought under control and no damage was done. This incident led to rumour mongering and communal tension and the situation could have turned very serious.
 The Hon'ble Supreme Court of India in its judgement dt. 30.08.2020 in the case involving petitioner Church of God (Full Gospel) in India Vs. Respondent (J.K.R. Majestic Colony Welfare Association and Others) while highlighting the problem of noise pollution leading to dangers to health, interruption of sleep, affecting communication, loss of efficiency, hearing loss or deafness, high blood pressure, depression, irritability, mental stress, affecting the students preparing for

exams, disturbing the old and infirm and denying them reasonable quietness during their leisure hours without there being any nuisance of noise pollution etc., and sometimes leading to serious Law & Order problems and further highlighting that "in an organized society rights are related with duties towards others including neighbors", rebuked the 'quietness' or quality standards in respect of noise in various zones (Industrial, Commercial, Residential and silence zone), defining day time and night time, restrictions on the use of Loudspeakers/Public Address systems/DJ Systems/Appliances or apparatus or contrivance which is capable of producing or reproducing the sound.
 The calls for taking steps to maintain public order, peace and tranquility during religious processions. Hence it is felt that there is a need to regulate the use of DJ System and firecrackers during various religious processions.
 Accordingly, in a meeting of all stakeholders convened by CP, Hyderabad City at TGCC on 24-09-2024, round table discussion took place involving various religious processions organizers, senior representatives of various political parties and Govt., departments about the restriction on the use of DJ System and firecrackers in various religious processions. The Power Point Presentation given by CP, Hyderabad highlighted the dangers to not only human health (A man suffers brain hemorrhage due to loud DJ Music; Death of a person in Marikonda area) but also the difficulties being faced by Police and other departments about the uncontrolled use of DJ Systems and blasting of firecrackers. The real video clips of extremely high intensity sounds generated by DJ Sound System/DJ Sound Mixer/Sound Amplifiers/Other High Sound Generating Equipments were also played before the audience. The video reports made by elders of various communities, speaking against the DJ Music culture in recent times, were also played. Almost all the participants, Political parties and heads of organizations, unanimously agreed on preventing the use of DJ System and Fireworks during Religious Processions and that strict measures need to be taken to enforce it.
Hence:
 I. In exercise of the powers conferred on me under Section 51 (1) (B) & 22 (1) (a) (ii) of the Hyderabad City Police Act, 1348 and under Section 143 of the Bharatnagar Nagarko Suraksha Samithi 2023 (w.eff. 14.4.2023) of C.P.C.I, C.V. Anand, IPS, Commissioner of Police, Hyderabad City hereby inform the public in general, and the concerned Organizers in particular, that the use of DJ sound systems, DJ sound mixers, Sound Amplifiers and Other High Sound Generating equipment, appliance or apparatus or contrivance which is capable of producing or reproducing the sound are hereby prohibited during religious procession in Hyderabad City.
 Page 2 of 4

II. As part of steps to control Sound Pollution during religious processions, the use of sound systems will be permitted but it will be restricted to the sound decibel limits as mentioned in the below table vide G.O.Ms. No. 172, dt. 12.10.2010 of the Environment, Forest, Science & Technology Department, Govt. of A.P. Police Clearance will be required to be taken both by the Organizers who hire the equipment and the Dealers/Company supplying the sound system equipment.

Area Code	Category of Area/Zone	Day Time	Night Time	Sound Limits dB
A	Industrial Area	75	70	
B	Commercial Area	65	55	
C	Residential Area	55	45	
D	Silence Zone	50	40	

 III. As per Hon'ble Supreme Court Order:
 "Day time shall mean from 6 AM to 10 PM.
 "Night time shall mean from 10 PM to 6 AM.
 "A loud speaker or a public address system or a DJ system shall not be used during the nights from 10:00 PM to 06:00 AM.
 "Silence Zone is defined as an area comprising not less than 100 meters around hospitals, educational institutions and courts.
 IV. The use of firecrackers is also prohibited only during all Religious processions in Hyderabad City.
 Violations of the above instructions regarding DJ Systems and Firecrackers will lead to penal action under the following provisions of Hyderabad City Police Act, 1348. **INS (Bharatnagar Nagarko Suraksha Samithi), Environment Protection Act, 1986, Noise Pollution (Regulation & Control) Rules, 2000, and Hyderabad City Loudspeakers (Regulation of use and Licensing) Rules, 1943:**
 Sec.67 of Hyderabad City Police Act, 1348 - Letting off and throwing a firework in or near a street or public place, except of such times or places as are permitted by the CP, Hyderabad City.
 Sec.76 of Hyderabad City Police Act, 1348 - Conviction of any rule made under Sec(2) of this Act or any other order or Prohibition lawfully given under sub Section 3 of Section 21 or Section 22, refusal or failure to conform to any lawful and reasonable direction of any Police Officer given in accordance with this Act or with any rule made there under.
 Page 3 of 4

Sec. 223 INS (PC 186) - Disobedience to order duly promulgated by public servant.
 Sec. 280 INS (PC 278) - Making the atmosphere noxious to health.
 Sec.292 INS (PC 290) - Committing a public nuisance in any case not otherwise provided for by this Section.
 Sec. 293 INS (PC 291) - Causing a public nuisance, having been enjoined by any public servant who has lawful authority to issue such injunction not to repeat or continue such nuisance.
 Sec. 324 (B) INS (PC 426) - Committing Mischief.
 Sec.192 BNS (C.P.C. 133) - Any unlawful obstruction or nuisance should be removed from any public place or from any way.
 G.O.Ms. No. 172, dt. 12.10.2010 of the Environment, Forest, Science & Technology Department, Govt. of A.P. regarding implementation of the Noise Pollution (Regulation and Control) Rules 2000 under the Environment Protection Act 1986.
 Further, U/s 13 of Environment Protection Act 1986 a proven offender can be punished with imprisonment for a term which may extend to five years with fine, which may extend to 1 lakh rupees or with both, and in case the contravention continues with additional fine which may extend to five thousand rupees for every day during which such contravention continues after the conviction for the first such failure or contravention. Under the same rule if the failure or contravention continues beyond the period of 1 year and after the date of conviction the offender shall be punished with imprisonment for a term which may extend to 7 years.
 This notification shall come into force with immediate effect and will apply to all religious processions in Hyderabad City.
 At the SHO and Addl. Inspectors of L&O Police Station of Hyderabad City will immediately send this notification on all Religious Processions Organizers as well as suppliers of DJ Sound System/DJ Sound Mixer/Sound Amplifier/Other High Sound Generating equipment, appliance or apparatus or contrivance which is capable of producing or reproducing the sound and suppliers of fireworks.
 At the SHO and Addl. Inspectors of L&O Police stations of Hyderabad City are hereby authorized to take appropriate legal action against those who violate this notification.
 Commissioner of Police, Hyderabad City

RECRUITMENT OF TRANSGENDERS AS TRAFFIC ASSISTANTS

To promote inclusivity of the transgender community, Hon'ble Chief Minister of Telangana **Shri A. Revanth Reddy** has initiated the recruitment of transgenders as Traffic Assistants in the Hyderabad Traffic Police Department. Recruitment was taken up in coordination with Women and Child welfare Department and Home Department.

The recruitment was conducted under the supervision of Shri C.V. Anand, Commissioner of Police, Hyderabad with a committee comprising of DCP South West, Home Guard Commandant and Additional DCP CAR, along with officials from the Welfare department.

Out of the 58 candidates who participated in the recruitment process, 44 were selected, comprising 29 transgender women and 15 transgender men. Addressing the newly recruited Traffic Assistants, Police Commissioner C.V. Anand encouraged them to serve as role models for their community and contribute to the reputation of the Hyderabad Police and Telangana State Police department.

On December 6th as part of the Praja Palana - Praja Vijayotsvalu, the 44 transgenders were given their enrolment letters by the Hon'ble Chief Minister of Telangana.

HACK 2.0

Hyderabad Annual Cyber security Knowledge Summit - H.A.C.K. 2.0

Empowering Digital Citizens for a Secure Future

The Hyderabad Annual Cybersecurity Knowledge Summit, H.A.C.K. 2.0, concluded successfully, bringing together voices from government, law enforcement, and industry to discuss critical cybersecurity issues. Hosted by the Hyderabad City Security Council (HCSC), the summit emphasized the importance of digital citizens in creating a secure cyber landscape.

Inaugural Highlights

- “Cyber security is no longer just a policing duty—it’s a collective responsibility.”
- Highlighted the theme: “From Awareness to Action: Shaping a Secure Digital Future.”
- Shri D. Sridhar Babu, Hon’ble Minister for Information Technology, Telangana:
- Committed to fortifying Telangana’s digital security.
- Acknowledged the importance of initiatives like H.A.C.K. 2.0 in building a cybersecurity culture.

Panel Discussions & Key Takeaways

Topic	Key Insights
Cyber Threats in India	Explored current threats, regulatory frameworks, and strategic responses.
AI and Cyber-security	Discussed AI's role in both cybersecurity defense and potential threats.
Role of Digital Citizens	Focused on empowering citizens and small businesses against cyber risks.

About HCSC

The Hyderabad City Security Council (HCSC) is a public-private initiative aimed at advancing cybersecurity education and action across Hyderabad. H.A.C.K. 2.0 exemplifies HCSC’s commitment to creating a resilient digital environment by uniting government, industry, and citizens.

Join the Movement for a Secure Digital Future!

“I AM READY” Campaign Launch

- Fireside Chat with Shri Bharani Kumar Aroll & actor Adivi Sesh.
- Citizens’ Pledge to commit to digital safety, with participants receiving digital badges.
- Short Films were launched to raise public awareness on cybersecurity.

PROFESSIONAL EXCELLENCE

The Hyderabad City Police is functioning with the strength of 12000 plus of all ranks, under the administrative control of the Commissioner of Police, Hyderabad City undertook re-organization up to the level of Police stations including creating various specialized units for the first time in 35 years to cater to the needs of current demography of the city and to address the arising policing challenges associated with. The Administration consists mainly on the following aspects:

- Organized Maintenance of Service particulars in the form of Service Registers manually and online through HRMS Application.
- Transfers and postings annually on long standing basis, administrative grounds/request of individual and also deputations to other Units.
- Disciplinary action under CCA Rules for proper functioning of Hyderabad City Police Unit.
- Awarding Rewards i.e., Commendations, Appreciations, MSEs, GSEs, Cash Rewards, etc. for recognition at individual & Team level and encouragement at the professional front.
- Welfare in the form of sanction of loans for the purpose of education, marriage, health, sports, etc.
- Sanction of all kinds of Leaves i.e., EL, EOL, Medical, HPL, Maternity, Paternity, Child Care, Study, etc.
- Issue of Orders for Promotions to the next rank, preparation of promotion panels.
- Issue of NOCs/Service Certificates for various purposes i.e., study, other employment, etc.
- Ensure prompt disposal of Prajavani petitions received online for effective redressal of grievances.

Provision of necessary logistics and staff for the arms verification exercise resulted in a comprehensive arms data, including details of authorised arms dealers for safe custody served as an encouraging stimulus in the runup towards TSLA-2023 & HoP-2024 elections.

1. GENERAL ELECTIONS -HYDERABAD CITY POLICE

(A) BUDGET ALLOCATION-EXPENDITURE- IN VIEW OF HOP-2024

Effective utilization of election budget expenditure requires to plan carefully, prioritize essential activities, and monitor the process continuously. Proper allocation of budget through informed decision & ensuring accountability towards purposes such as:

- a. Expenditure of Hiring of Private vehicles
- b. Maintenance of Government vehicles
- c. Purchase of Materials and Supplies
- d. Diet charges of Force
- e. Other Expenditure
- f. TA expenditure

ensured timely delivery of logistics and smooth conduct of elections including food arrangements for the personnel deployed for Lok Sabha election duties covering the entire pre-& post poll activities and counting exercises.

(B) FIRE ARMS EXERCISE IN VIEW OF HOP 2024

Prompt follow-up of Fire arms verification process by issuing time lines to zonal level officers in view of upcoming elections has proved to be instrumental in making necessary entries in respect of fire arms licenses, renewals and all other allied activities in phase wise manner.

Provision of necessary logistics and staff for the arms verification exercise resulted in a comprehensive arms data, including details of authorised arms dealers for safe custody served as an encouraging stimulus in the runup towards HoP-2024 elections.

MEE-SEVA APPLICATION

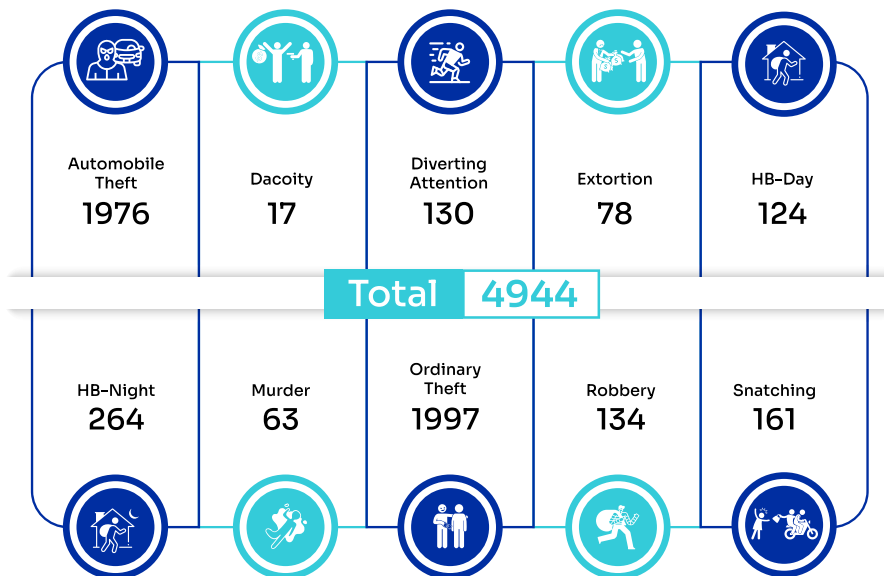

Towards achieving Global Policing Standards, Hyderabad City Police has implemented a unique Mobile Technology Application “TSCOP” during April, 2016. TSCOP is a mobile based application for the internal use of Hyderabad City Police. This will help in empowering police officers by enabling real-time, two-way access to information of better quality and in multiple formats. This App is very useful in addressing individual needs of the frontline police officers and can improve their morale and satisfaction, eventually promoting higher standards in their functioning. Further, internal information and knowledge sharing services increase the accessibility and availability of such best practices can help transform the organization into a role model to similar police units.

SOCIAL MEDIA UNIT (SMU)

It comprises of various units with defined organic flow of responsibilities and duties. In general

- Social Media Unit is responsible for monitoring, managing, and utilizing social media platforms to enhance Public Safety and Community Engagement.
- Continuous tracking of Hyderabad City Police's official Social Media handles and Officer Accounts.
- Monitoring and Intelligence Gathering for Actionable Intelligence.
- Disaster Response and Crisis Management.
- Digital Investigations.

SOCIAL MEDIA ACTION SQUAD OF HYDERABAD (SMASH)

This is the Action Squad of Hyderabad City Police which was created to be set in motion when a concerted action is required to deal with the handles propagating malicious narratives endangering the law and order. This includes the Law and Order wing, the Task Force and the Cyber Crime Wings too.

As soon as the Social Media Monitoring Unit (SMMU) identifies a post worth taking legal action, the same is informed to the officers on the SMASH group.

Lead is taken from here by the Cyber Crimes Wing of the City Police which will initiate further course of action – taking down the posts by writing to the concerned platform and/or registering a case and investigating.

Special Branch also gives inputs about the field impact or about the accused.

Once there is a lead, the CP Task Force and L&O wing swings into action in apprehending the accused person at great speed.

DRONES & CAMERA MAINTENANCE ORGANISATION

The Drone Technology has emerged as a transformative tool in modern policing. These agile and vigilant **“EYES IN THE SKY”** are redefining the strategies used by law enforcement agencies to secure communities and respond to emergencies.

The Hyderabad City Police has achieved remarkable success in deploying drones across various public gatherings and critical situations, demonstrating their versatility and efficiency.

DRONES IN ACTION: ENHANCING SAFETY DURING MAJOR EVENTS

In 2024, drones have been pivotal in ensuring safety and security during significant public events, such as:

Shri Ram Navami and Hanuman Jayanthi Processions Drones provided overhead surveillance, monitoring crowd movements to maintain order and prevent untoward incidents.

Muharram and Milad-un-Nabi Celebrations at iconic locations like Charminar, drones captured live feeds, enabling police to swiftly respond to potential risks and maintain security during the bustling festivities

CITY ARMED RESERVE

Smt. Rakshitha K. Murthy. IPS
DCP, CAR Headquarters

The Hyderabad City Armed Reserve (CAR) Police, originally established as the “Afghan City Police” in 1932, was renamed in 1957. It is stationed at Petlaburj Police Lines, Hyderabad. The unit operates directly under the supervision of the Commissioner of Police and is headed by an IPS officer.

Functionally, the CAR Police is organized into four key groups: General, Special Operations, Security, and Logistics. It serves as the armed reserve for the Hyderabad City Police, providing crucial support for law enforcement and security operations across the city. The unit has a sanctioned strength of 5402 personnel, with the actual strength currently at 3808.

- Forces are provided for guards and escorts to all State dignitaries, Union/State protectees, IAS/IPS officers, government establishments, courts, hospitals, consulates, UPSC meetings, exam papers, and for VIP/VVIP visits.
- Daily platoons (Men & Women) are deployed to various zones for law and order bandobust duties, with personnel actively participating in managing riots, dharnas, political meetings, major bandobusts, festivals like Ganesh, Bonalu, Ramzan, Sadar, Muharram Matam and rescue operations during natural calamities and disasters.
- As per the requirements of Central Prisons Hyderabad & Cherlapally, the force (Men & Women) deployed for Prisoner Escorts for Courts & Hospitals in the twin cities and districts.
- Providing men force for remittance Escorts to other banks in Hyderabad Specialized (9) Teams (QRT-3, CSG-4 & CRAF-2) well trained at the Octopus Training Centre are working (24x7) under the supervision of Jt. CP CAR Hqrs/Addl. CP (L&O) Hyderabad for emergency L&O bandobust duties.

LIST OF COMPANIES AND SPECIAL TEAMS IN CAR

1. The CAR strength is organized into 12 Companies

1 HQ coy	8 Active Men Coy	1 MT Coy	1 Active Woman Coy	1 Mounted Coy
----------	------------------	----------	--------------------	---------------

2. INTERCEPTOR TEAMS – 20

3. CITY RAPID ACTION FORCE (CALL SIGN: FALCON)

- CRAF was started in the year 2018. CRAF is a first-of-its-kind specialized force introduced by the Hyderabad Police which will react quickly in such situations and does not take time for its deployment.
- Apart from handling riots, riot-like situations, communal violence, crowd control, and taking up rescue and relief, CRAF will also step in to deal with major law and order issues. Friday bandobust, festivals, election duties, and agitations. This force consists of (02) teams with 30 men and women.

4. QUICK ACTION TEAM (CALL SIGN: TANGO)

- Formed in 2000, QRT is trained by OCTOPUS for anti-terrorism operations and responds to emergencies in Hyderabad.
- Provides security for the Hon'ble Governor's visits, handles law and order duties, including Friday prayers at Mecca Masjid, and played a key role in the 2006 Mecca Masjid blasts response.

5. CITY SECURITY GUARDS (CALL SIGN: EAGLE)

- The City Security Guards (CSG) were formed in 2009 after the Mumbai attacks to tackle terrorism and provide security to the Hon'ble CM, as well as handle major law and order duties in the Twin Cities.
- With 60 personnel trained in counter-terrorism, CSG is stationed at Goshamahal and participates in major law enforcement operations and mock drills with Octopus commandos.

MOUNTED POLICE

The Role of MOUNTED Police in Hyderabad City.

- The Mounted Police, established in 1950, operates under the supervision of the Dy. Commissioner of Police, CAR Hqrs, and currently has 50 horses, including 5 CYB and 5 RCK.
- They perform law and order duties during festivals like Bonalu, Moharram, Ramzan, Bakrid, Ganesh, and Friday prayers, as well as for cricket match bandobust in the South Zone.
- Mounted Police also conduct lake patrols, saving lives of individuals attempting suicide at Tank, and participate in ceremonial parades for Republic Day, State Formation Day, and Independence Day.

SAR CPL, AMBERPET

Smt. Rakshitha K. Murthy. IPS
HAC of Commandant, SAR CPL

- The Special Armed Reserve Central Police Lines (SAR CPL), one of the oldest armed police units in the state, was established on January 27, 1940, by the Nizam Government at Amberpet. Initially known as the Nizam District Police, it was inaugurated by General H.H. Walashan Azam Jah Bahadur, the Prince of Berar.
- The Telangana SAR CPL unit was formally constituted on June 2, 2014, with a personnel strength of 529 (41.68% of the total), including excise platoons. The unit operates under the jurisdiction of the Commissioner of Police, Hyderabad City, as per orders dated August 13, 2012 (D.O. No: 5039).

FUNCTIONS

- Supervise and coordinate the activities of various wings within the unit and with neighboring districts and other organizations to ensure smooth operations.
- Maintain discipline, high morale and professionalism among the personnel, ensuring they are properly trained, honest and service oriented.
- Ensure the efficient functioning of each wing of the unit, promoting operational effectiveness and accountability.
- Oversee the proper utilization of allocated funds and manage financial matters, including cheque power, in the absence of a regular commandant.
- Foster cordial relationships with both officials and non-officials, ensuring cooperation, trust, and effective communication.
- Safeguard and maintain government property belonging to the unit, while engaging in welfare activities to ensure the well-being of personnel and the surrounding communities.

The SAR CPL strength is organized into four main companies and specialized sections:

- | | | |
|--------------------------|------------------------|--------------------------|
| ▪ 1 HQ Company | ▪ 1 Excise Men Company | ▪ RI- Adjutant Office |
| ▪ 2 Active Men Companies | ▪ 1 MT Company | ▪ RI- Store RI- Training |

ESCORTS

The following escort duties, originating from Hyderabad, are handled by the SAR CPL:

- Prisoner Escorts:** Secure transport of ISI terrorists, Naxalites, and other high-risk prisoners.
 - Within the state
 - PAN India
- Treasury Escort:** Safeguarding RBI assets and other nationalized banks.
 - Within the state
 - PAN India
- Logistical Security:** Protection of arms, ammunition, and confidential materials such as examination papers and non-postal stamps.
- Arms And Ammunition Escort:**
 - PAN India

GUARDS: The SAR CPL provides guards for various important locations, including the Old CID Office, Margadarshi Chits and Finance case materials, PTC Amberpet, and unit guards at the Quarter and Main Gate.

LAW AND ORDER DUTIES: The SAR CPL also plays a key role in Law and Order maintenance. Two permanent platoons are deployed for bandobust duties within Hyderabad.

An Integrated Command Control Centre is operational with a Reserve Sub-Inspector performing duties.

CONFIDENTIAL PAPER ESCORT

- With in the State
- PAN India

HOME GUARDS ORGANIZATION

N.V. Kishan Rao
Commandant, Home Guards

- Home Guard officers are the major component in Hyderabad City, with the occupation of 40% of the strength of the Hyderabad city police in assisting the L&O duties, Traffic duties, all kinds of Bandobust duties etc.
- During the major festivals Bandobust duties like Ganesh, Bakrid, Ramzan, Dussehra, etc., the Hyderabad City Home Guards have done good work in peaceful completion of all bandobust duties.
- (5572) Home Guard Offices participated in maintaining Law and Order bandobust duties for General Elections in Telangana State, which were held in the month of May' 2024.
- Home Guard Officers who are working at Lake Police Station saved 10 human lives at Tank Band for those who attempted to commit suicide by jumping in the waters.
- Implementation of paperless office correspondence through e-office/HRMS.
- Sanctioned road accident insurance coverage of Rs. 5 lakhs under the Social Security scheme in respect of 1) Late A. Sattiah, HG 9342, died on 20-11-2023, and the insurance amount was credited on 03-06-2024 in the nominee bank account. 2) Late K. Krishnaiah, HG 7285, died on 03-12-2023. The insurance amount was credited on 13-03-2024 in the nominee bank account.
- A total of 188 General Home Guards are selected to work in the Traffic Wing as per traffic criteria and approved by the Commissioner of Police, Hyderabad. Out of 188, 109 HGs as per Traffic Seniority list were pass ported to the traffic wing till November 2024.
- This office has motivated the Home Guards officer to apply for TS Police Constable selection. However, a few Home Guard officers have passed the final examination, which was conducted by TSLPRB in the recent past notification.
- Medal for Meritorious Service (01), Utkrisht Seva Padak (34) and Ati-Utkrisht Seva Padal (15) were awarded for the HGs who showed dedication towards duty.
- Sri Suraj Naveen, HG No. 3908, working at Mirchowk Traffic Police Station, has won the Gold Medal in All India Veterans Fencing conducted in the month of June 2024 in Orissa State.

HYDERABAD CITY SECURITY COUNCIL

Sri C. Shekar Reddy
Secretary General, HCSC

The Hyderabad City Security Council has been launched by the Hyderabad City Police Commissionerate in collaboration with all establishments, government, and citizens across the various zones of Hyderabad Police Commissionerate. This is a not-for-profit society aimed at promoting safety and security by involving all community stakeholders. The concept primarily adopts a Public-Private Partnership (PPP) model to serve society in areas such as women’s safety, road safety, infrastructure security, and cyber security. HCSC is a unique initiative to raise awareness about personal safety and security, reduce crime, and enhance overall safety and security in the city, making Hyderabad a safe destination for living and business growth.

GENERAL UPDATES

- Nearly 10 HCSC awareness sessions were conducted at colleges and organizations to provide an overview of HCSC.
- HCSC set up stalls along with an AV vehicle playing HCSC Forum Videos at the HITEX Property Show, Kompally Property Show, and Nagole Metro Property Show for 18 days from January to November, with close to 5500 attendees visiting and inquiring about HCSC.

CYBER FORUM:

To make Hyderabad a model city in addressing cyber threats and seizing opportunities in cybersecurity.

Achievements:

- Cyber Smart:** Sessions with 125 schools conducted for 1,33,000 children from primary and middle school government teachers for a training of cyber safety with the help of a portal.
- Cyber Squad:** Awareness sessions are conducted in 35 schools with close to 45,000 students on the latest cyber-crimes, cyber threats, and precautionary measures to avoid a cyber scam. Students have organized activities such as school skits and memes to foster awareness about cyber security in their schools.
- Cyber Surakshak Sanstha:** Online Cyber Security Sessions with 400 Members of FTCCI were conducted to help organizations on Emerging Cyber Frauds in Businesses,” equipping participants to tackle cyber threats.
- Cyber Tech Sentinels:** 10 Sessions conducted in Colleges on Cyber Safety & Security with 800 Volunteers
- Digital Dialogues:** A 1-minute video in English and Telugu was created on 1930 Number to be played at the theaters regularly, along with 10 videos on the latest cybercrimes launched at the summit.

WOMEN & CHILD FORUM

To equip women with skills in addressing all forms of violence and contribute to the enhancement of safe, secure, and free from harassment and violence.

ANTI-NARCOTICS

Implement initiatives for awareness, prevention, rehabilitation, and community engagement to mitigate adverse effects of narcotics.

- Awareness Sessions:** 15 sessions in schools and colleges raised awareness about the dangers of narcotics for more than 15,000 students.
- Poster Launch:** A drug abuse awareness campaign was launched with posters and a video to spread the message of a drug-free community.

- **NADREP Mega Event:** The NADREP Mega Event, organized by the Hyderabad City Security Council (HCSC) and the Hyderabad City Police, aimed to address student substance abuse. Held at the Telangana Police Command and Control Centre, the event saw the participation of over 1,000 schools and focused on building life skills and implementing surveillance to prevent drug use among students.

TRAFFIC FORUM

Educate citizens and improve traffic safety awareness through volunteer programs and engagement.

- **BLS (Basic Life Support) Training:** Partnered with EMRI to conduct 15 sessions for 5,000 personnel, including police officials, corporates, schools, and college staff.
- **Traffic Farishtey:** Over 110 volunteers participated in traffic management during important events like Rath Yatra, Bonalu, and Ganesh Bandobast, working at 29 different junctions across the city.
- **Auto and Cab Driver Sensitization:** Conducted awareness sessions with 60 auto drivers at key traffic junctions.
- **Traffic Volunteer Recognition:** Held a felicitation event to honor 45 Traffic Farishtey volunteers, promoting road safety and recognizing their contributions. The event was inaugurated by Shri Kothakota Sreenivasa Reddy, IPS, Commissioner of Police.

PHYSICAL SECURITY FORUM

Enhance physical security practices and encourage collaboration for safer communities.

- **Logo Launch:** The Physical Security Forum's logo was launched at the ICCB Building in August 2024.
- **National Physical Security Summit:** Held on August 30, 2024, at the Telangana State Police Integrated Command & Control Centre, the summit brought together 400 participants, including industry leaders and law enforcement officials. Discussions centered on evolving physical security practices in the digital age and the role of private security in supporting law enforcement.
- **Awareness Sessions:** Organized physical security awareness programs for 50 corporate employees, focusing on best practices in protecting assets and ensuring safety in the workplace.

CSR FORUM

To strategically utilize CSR funds to facilitate the implementation of impactful initiatives through all the 5 forum platforms, our objective is to actively raise community awareness, fostering a culture of social consciousness.

- A generous contribution of 50 lakhs from Raheja was utilized for key safety initiatives, including the purchase of an AV vehicle, installation of CCTV cameras, and support for the Adda Leaf Project.
- Shri Anil Agrawal provided Rs. 5 lakhs to support the street plays organized as part of the pre-event preparations for the HACK. 2.0 Summit.

IMPACT IN NUMBERS

▪ Cyber Smart	Educated 1,33,000 children on cyber safety.
▪ Cyber Squad	Raised awareness in 45,000 students across 35 schools.
▪ Women's Safety	Reached 25,000 children with safety education.
▪ Anti-Narcotics	Educated 15,000 students on drug abuse prevention.
▪ Traffic Safety	Trained 5,000 personnel in life-saving techniques.
▪ Volunteers	Recognized 45 Traffic Farishtey volunteers for their contributions.
▪ Summits & Events	Over 750 participants attended the H.A.C.K. 2.0 Summit; 400 attendees at the National Physical Security Summit.

Hyd police enforces strict ban on DJ systems and fireworks during religious processions

HANS NEWS SERVICE HYDERABAD
HYDERABAD City Police Commissioner CV Anand stated that strict legal action will be taken against the use of DJ systems and fireworks during religious processions in Hyderabad City. This decision comes in response to concerns about public safety, noise pollution, and the potential for disturbances during these events.

On the Telangana State Integrated Command & Control Centre (TICCOC) in Banjara Hills, CV Anand addressed the media regarding the ban. He stated that the use of DJ systems and fireworks is not only a nuisance but also poses significant safety risks. The ban is effective from the start of the religious processions and will continue until their completion.

The Commissioner pointed out that loud music and fireworks can cause various problems, including disruptions to public order, safety risks, and environmental issues. CV Anand held an "Open House" session with stakeholders from various religious communities to discuss the ban. He emphasized that the police will strictly enforce the ban and take legal action against anyone who violates it. The ban applies to all areas of the city during the processions.

Coordination meeting held for homeless dwellers in city

HANS NEWS SERVICE HYDERABAD
AS A precautionary measure to avoid any incidents involving homeless people in the city, Police Commissioner CV Anand conducted a coordination meeting with various government departments and non-governmental organizations (NGOs) working in the field. The meeting was held at the Command and Control Centre on Tuesday.

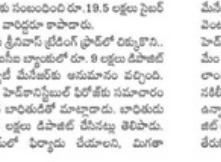

The meeting discussed the growing number of homeless people in the city and the need for a coordinated approach to address the issue. CV Anand emphasized that the police will work closely with other departments and NGOs to identify and assist homeless individuals. The meeting also discussed the importance of maintaining law and order in areas with a high concentration of homeless people.

Key points discussed during the meeting include:
• Growing number of homeless people, crime involvement, and increased extortion.
• Action plan to identify and assist homeless people.
• Streamlining medical and mental health services for homeless individuals.
• Enhanced surveillance with CCTV, gates, and locks around religious sites.

Officials of all departments and NGOs present agreed to work together to formulate a comprehensive action plan to address the issue of homelessness in the city. The meeting concluded with a commitment to regular communication and coordination between all stakeholders.

సైబర్ నేరాలకు చెక్.. బాధితులు సేవ్

HANS NEWS SERVICE HYDERABAD
On 19.5.2024, the Cyber Crime Cell of the Hyderabad Police has successfully rescued several victims of cyber fraud. The officers conducted a thorough investigation and managed to trace the perpetrators.

The Cyber Crime Cell has been instrumental in identifying and recovering stolen funds from various cyber fraud schemes. The officers have also provided support and guidance to the victims, helping them understand the extent of the fraud and the steps they need to take to protect themselves in the future.

The rescued victims include individuals who had fallen prey to various types of cyber fraud, including phishing, identity theft, and online scams. The police officers praised the victims for reporting the incidents and cooperating with the investigation. They also issued a warning to the public about the dangers of cyber fraud and advised them to be cautious when sharing personal information online.

City top cop reviews security preps for Ganesh, Milad-un-Nabi festivals

HANS NEWS SERVICE HYDERABAD
The newly appointed Hyderabad City Police Commissioner CV Anand reviewed the security arrangements for the Ganesh and Milad-un-Nabi festivals. He visited the sites and inspected the security measures being implemented by the police.

CV Anand emphasized that the police will ensure a safe and peaceful celebration of both festivals. He instructed the officers to maintain strict discipline and to be vigilant against any potential threats. The police will also be providing traffic management and crowd control services during the events.

The Commissioner also met with the representatives of the Ganesh and Milad-un-Nabi committees. He discussed the security concerns raised by the committees and assured them that the police will take all necessary measures to address their concerns. The meeting concluded with a commitment to a successful and safe festival celebration.

AWARDS

HYDERABAD CITY POLICE SECURED THE FIRST PLACE IN THE 1ST STATE LEVEL POLICE DUTY MEET.

SHALIBANDA PS OF HYDERABAD CITY POLICE DECLARED AS 8TH BEST POLICE STATION IN THE COUNTRY BY MINISTRY OF HOME AFFAIRS.

ROAD AHEAD FOR 2025

1. Law and Order:

Focus on predictive policing using intelligence-led strategies.
Provide advanced training in crisis management and rapid response.

2. Public Events:

Optimize personnel deployment using AI analytics.
Expand drone surveillance and strengthen command centers for real-time monitoring.

3. Traffic Management:

Implement AI-driven systems for traffic optimization.
Enhance road safety awareness and reclaim road space through targeted drives.

4. Cybercrime:

Strengthen cybercrime units with advanced tools and expertise.
Raise awareness on cybersecurity and collaborate with IT firms to combat digital threats.

5. Combating Drugs:

Identify high-risk areas using analytics and dismantle supply chains.
Launch awareness campaigns in schools and colleges.

6. Women's Safety:

Increase patrols and expand Safe City initiatives, including helplines and CCTV installations.

7. Social Media:

Leverage platforms for real-time updates, misinformation monitoring, and citizen feedback

8. Smart Policing:

Utilize AI and integrated databases for predictive policing and instant data access.
Equip officers with mobile technology for seamless coordination.

9. Personnel Development:

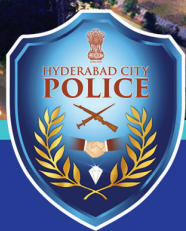

Focus on capacity building, mental health support, and stress management.

10. Innovation and Inclusivity:

Promote volunteer policing and foster community engagement.
Continue inclusive initiatives like the induction of transgender personnel.
